

# No Place Like Home Sweet Farm

A night on the town takes on a whole new flavor when the town is Brenham, and the venue is the quaint Home Sweet Farm.

Known by the locals for its homey atmosphere, craft beers and live music, it's quickly become a local favorite.

Home Sweet Farm will open its doors for your own private party of 20. Enjoy drinks and a wonderful meal, prepared by Chef Cullen Holle. Chef Holle has recently signed on as executive chef for The Inn at Dos Brisas, Texas' only Forbes five star restaurant.
