

# Wild Blue Yonder

What better way to see your property than from a big blue Texas sky! Get a thrill with an airplane ride for four (4) passengers along with a pilot and co-pilot, the plane seats 6 people. You will fly for approximately one hour over Washington County and surrounding areas. The pilot has flown many missions for Angel Wings and carried children that need immediate medical assistance.

Enjoy a post flight lunch and a scrumptious slice of pie at Brenham's own Must Be Heaven Restaurant.

Round out this Washington County Special with a eye catching framed photograph by Kathlyn Dragna.

Additionally, you'll receive a signed copy of the fascinating true story of "The Burning of Brenham," by Sharon Brass.
